ent. Refreshments were served at 5
o'clock. All had a very pleasant time.

Robert Frost, jr., was eighteen years

Overcoats for Boys, now being sold At Cost

We are also selling

Boys' Suits At Cost.

For the girls you can find a whole lot of nice presents—dolls, doll trunks,
small flat irons, kitchen sets, etc., etc., but the best of all in the opinion of
the girls is the Toy Iron Cook Stove in which a fire can be built, and which has
a reservoir, iron kettles, tea kettle, etc. Anderson also has a

GOOD LINE OF TOYS

For your Christmas dinner you can buy

GOOD FRESH GROCERIES AT LOW PRICES.

As Anderson has just got in a good stock. The dry goods, notions, hats and

Maxwell were married January 1st,
1847, at Bothwell, Scotland. During
the many years they have lived in this
vicinity they have made a host of
friends, who are numbered only by
their acquaintanceship. We hope they
will live many years longer.

WOOD AND CORN.

We wish all our delinquent subscri-
bers who can furnish us wood or corn
would bring the same in at once, as we
need it. Either old or new corn will
be taken.

Oscar and Wilber Marts, sons of J.
H. Marts, living on the old Hagadorn
farm, northeast of Nemaha, shucked
and cribbed 206 bushels of corn one
day this week. Considering the age of
the boys this is good work, as Wilber
will not be 16 until next Sunday, and
his brother is only eighteen months
older. The older boy shucked 105
bushels, and the younger 101. Who
can beat it?

We have received numbers one and
two, volume one, of the Carroll Quill,
published by Chas. H. Robinson, form-
erly an employe of this office. The
Quill is a neat six column, four page
